MAGNAVOX Magnetic Cone **RADIO SPEAKERS**

"Warwick"

Model

Price

£7/10/-

A product of many years of research by the famous MAGNAVOX engineers — embracing entirely new scientific principles of construction, it is believed to be the ultimate in radio loud speakers. The "opposed pole piece" is an

exclusive Magnavox patented feature. The "Warwick" has greater power with fewer parts and a coil that takes full "B" current of a power tube without over-heating. Absolutely no possibility of rattling or distortion.

School Appeal.

Metropolitan Association decided to supply a football to each school playing Soccer in the competitions arranged by the S.A.A.A., and as the financial resources of the Association are limited this year, the various clubs have agreed to take up subscriptions on their grounds, and this will be acknowledged in the "Soccer News." The important thing to be realised by all rounders is that the Association, aware of the fact that a breakaway organisation is in existence, is prepared to shoulder the responsibility of organising this school appeal, and it is hoped that there will be a ready response.

The M.S.F.A. has started the fund with a donation of £100 and this is very good evidence of the organisation's bona fides. Soccer has as many school clubs as any other code, and while the wealth of other bodies makes it difficult for the Soccer organisation to hold its place, it is thought that the many enthusiasts throughout the length and breadth of the country will "do their bit" to keep the playing of the game they love alive.

Breakaway clubs should join in with the official organisation in the matter of this appeal, although, of course, it is possible for the Association to reach them officially.

Individual donations from members will be received by the "Soccer News," or preferably by the Hon. Secretary of the Metropolitan Soccer Football Association, Sports Club, Hunter Street, Sydney.

Manager, Victorian Team.

Harry Bingham is the player-manager of the side. He is the secretary of the Victorian Football Association, and plays in goal for Prahran, one of the Melbourne Clubs. He has represented Victoria in goal against the Czechs and Chinese, and also represented against the Canadians. During 1925, when the English team played in Victoria, he was too busy organising to play, and thus was not eligible for selection against the Englishmen. Harry is a fine worker for the game, and a great sport, and is popular in New South Wales. He came to New South Wales in 1923 as goalkeeper for the Victorian side, but unfortunately was hurt on that occasion. All good sports in this State wish him the best of luck on the present trip.

Prices Next Saturday.

The Association has decided to charge club prices only for next Saturday's match with Victoria, as follows:—Ground: Gentlemen, 1/-; ladies, 1/-; children, 3d. Stand (extra): Gentlemen, 1/-; ladies with children, 3d. extra.

Did You Know That—

The Victorians believe that the team they are sending to play N.S.W. next Saturday is the strongest team that has ever been sent to Sydney?

Charlie O'Connor, admittedly one of the finest right-halves that has played in Sydney, and the old Eastern Suburbs player, is a member of the Victorian team?

The Victorians.

The Victorian side includes four players who have been nominated for the Java team, and all of them are reputedly fine exponents of the sport. There are A. Johnston, inside-left; R. Thompson, right-wing; G. Semple, left-half; and A. Ogilvy, left-wing.

Semple is regarded as a particularly good player, while, according to old hands in Victoria, Johnston is the best inside-forward that that State has ever produced.

New Lambton's Team.

AGAINST BALGOWNIE.

The following team will represent New Lambton against Balgownie in the Gardiner Cup today:—Jordan, Scott, Morgan, Spruce, Hayes, Robertson, Bell, O'Brien, Coates, W. Maunder, and Dent. It will be noticed that Billy Maunder, one of the best centre-forwards Australia has produced, will play for New Lambton.

Balmain's Team.

AGAINST WEST WALLSEND.

Balmain hope to surprise West Wallsend to-day.

The 'Mains' team is as follows:—Simmons, Driscoll, Pont, Robertson, Seddon, Byers, Ireland, Hale, Hurley, Boyle, Sinclair, Menzies (one to be omitted).

Balmain II. v. Callan Park:—McNally, Christie, Hancock, Flinn, Ferguson, Chapman, Parker, Rees, Stewart, Burness, Ramsay, Swanson (one to be omitted).

Eastern Suburbs.

Eastern Suburbs' defeat at hands (or feet) of Cardiff Saturday was most disappointing to the tricolours' supporters, but it is said that the condition of Northerners' ground was detrimental to the short-passing game which Easts have become used to playing. However, it is a good thing that can alter its tactics to the ground, and the long-passing game should have been induced in. Frank Lambie justified inclusion as goalkeeper in place of Robison, and saved a penalty kick in good style. Moran should know never to kick the ball across his own goal when clearing. The halves were weak in defence, and seldom distributed the ball to advantage. Purnell will need to cease his wild kicking and learn to pass to his forwards. Featherstone still hangs on to the ball too much. He will either have to cut out the individualism or lose his position, because his play, although good in a way, is not the kind that assists his club to win matches. Now, it is up to Featherstone, to alter your tactics.

Corrimal will be a tough proposition for the locals to-day, after their draw with Helensburgh last week on the latter's ground full of merit. Jock Comrie will find it necessary to keep his team well up to the mark, and see that he don't slacken throughout the game.

Eastern Suburbs' second grade team play Australian Woolloomooloo Mills in the early game on No. 1 Cricket Ground. The tricolours beat the "Woollies" in their previous encounter, but this does not necessarily say that they can repeat the victory. Caminiti in goal did not show his true form last week, and should have stopped at least two of the goals scored against him. The backs, especially O'Connor, will have to play more strongly. The half-back line—Watson, Rafter, and Hollidge—reads well, and should be able to keep their forwards well supplied in addition to holding the "Woollies" in check. Easts' forward line will be the same as it was last week, with the exception that Haynes and Flowers have been changed from centre-forward and inside-left respectively. Now, boys, let there be no more 5 to 1 victories scored against you as Auburn did last week. Get in first to the ball, and keep it moving quickly.

Protestant Churches Association

CAMPBIE METHODIST CHURCH.

Cook Branch teams especially are reminded that their first Church Parade will be held in the above church on Sunday night (tomorrow), and teams are expected to roll up in force. A special service has been arranged by the Rev. Chambers, in which Association officials will take part. Branch Secretary Mather will sing solo. Players and officials (and friends) should meet outside the church at 6.45 p.m. sharp. Badges and colours might be worn.

OTHER PARADES.

The South Syney Branch's parade at St. Alban's (Dar.) was not ended like it should have been, the address delivered by Rev. Siddens was one of the best.

Dalley Branch will hold theirs at the Balmain Methodist Church the following Sunday, and St. George in the South Hurstville Methodist Church on June 2.

SPORTS DAY.

Teams are reminded that the annual Gala Day will be held on Canterbury Sports Ground, Monday, June 4 (King's Birthday). Admission, adults 6d., children 3d., which includes hot water. Entries are definitely at the Sports Club Friday next. Further particulars can be obtained from branch secretaries.

CORNER FLAGS AND COLOURS.

Teams are reminded that corner flags must be provided, and if they are not then fines will be inflicted. Teams whose players are in incorrect colours will also be fined.

COAT BADGES.

Teams who have not yet received these badges should apply immediately.

Football Arguments.

(Q.)—Can a player raise his heels when throwing the ball from touch?

(A.)—A player is perfectly entitled to raise his heels (that is, stand on his toes) when throwing the ball from touch. The law is complied with if he has any part of, both feet on the ground when throwing in the ball.

(Q.)—During the progress of a game, the goalkeeper, in clearing, kicks the ball against the rebound and it rebounds past the goalkeeper into the net, without touching another player. Is this a corner or a goal?

(A.)—the correct decision would be a goal.
